METALDECORATING

## Invitation to the Heavy Metal Tour 2023/2024

Dear Business Partner,

common goals, guiding principles, values and the personal qualities of the individual have made us what we are for you today and would like to be in the future.

We are constantly trying to improve ourselves and have now combined our "know-how" in a new **OWN** metal printing machine.

We would like to invite you to join us on **Thu 21.09.2023 and Fri 22.09.2023** to experience this world premiere.

**We will reveal the secret and proudly present for the first time  
our own machine for the first time: MR130**

You are welcome to visit us at our OpenHouse with the motto  
"Oktoberfest" at our company premises

Frankenstraße 25 in 63791 Karlstein - we look forward to seeing you there!

To make the planning even more perfect, please send us a short confirmation of your participation by e-mail to [j.haase@rwds.de](mailto:j.haase@rwds.de).

We would also be happy to welcome your printers and purchasing/sales staff.

For further information & possible accommodation offers, please do not hesitate to contact us!

Stage1: Plastic model at the "Messe Essen"  
Stage2: Machine is available for viewing at R+W  
Stage3: Print demo in May 2024 at R+W
